SECTION A - SUPPLEMENTAL INFORMATION

The purpose of this modification is to establish option pricing for 2 consecutive one year periods. All terms and conditions that apply to the basic award apply to the specified Option Years. Option Year 1 will run from 1 May 2004 to 30 April 2005. Option Year 2 will run from 1 May 2005 to 30 April 2006. Multiple orders may occur during a option year, however, each order will be considered as a stand-alone requirement and no attempt will be made to seek a retroactive price adjustment reflecting cumulative quantities procured. It must be noted that some requirements may have multiple funding sources that require the use of multiple CLINs at the point of award. In that case, multiple CLINs ordered simultaneously will enjoy the benefit of cumulative quantity pricing.

Range pricing for Option Year 1 and Option Year 2 are as follows:

Quantity Range	Option Year 1 Unit Price	Option Year 2 Unit Price
10 - 24	\$17,509.90	\$17,598.64
25 - 49	\$14,887.63	\$14,981.19
50 - 99	\$13,559.98	\$13,656.03
100 - plus	\$12,799.89	\$12,897.36

All other terms and conditions remain unchanged.
